Certification**  
of Your **Digital Skills**

# P.R.I.D.E

## Professional Industry Driven Education

'Be More' is the MAHSA Group's ethos to mark its staff from thousands of other professionals. With this drive, we are offering the P.R.I.D.E programme, as a unique opportunity, to raise all our staff as industry-competent top performers. The P.R.I.D.E courses are facilitated by a team of certified and experienced trainers who will work hand-in-hand with participants to proliferate their digital skills and to acquire relevant internationally recognised professional certifications such as MS Office, Adobe, Auto Desk, IC3 Digital Literacy and Ethical Hacking from Microsoft, Adobe Corporation and EC-Council. No matter you are an Educator or an Administrator, the P.R.I.D.E programme allows you to turn out as a Certified Microsoft Office Specialist (MOS) or IC3 Digital Literacy or Autodesk Certified User or Adobe Certified Associate (ACA), or Ethical Hacking Associate and extend your digital capabilities to the next level.

What Certifications you will achieve from the P.R.I.D.E programme?

Through its CERTIPORT authorised testing centre, the MAHSA group currently facilitates the following professional certifications

### **MICROSOFT OFFICE SPECIALIST**

This certification comes based on successful completion of Microsoft Office Applications like MS Word, MS Excel, MS PowerPoint, MS Access, MS Outlook and MS Publisher.
